Criteria and Application for Non-PhD Scholarship:

Oklahoma Mineral and Gem Society (OMGS) welcomes and invites qualified candidates of OMGS members to apply for scholarships which will open February 1, 2025 and close at midnight of April 1st, 2025. A \$1500 award will be decided by the OMGS Board of Directors for each of the OMGS members. The intent of the scholarship is to assist high school senior students during their freshman college year. We, in the Oklahoma Mineral and Gem Society, hope it is your intent to begin your career in the State of Oklahoma. Special consideration will be given to students who are involved in activities related to education of rocks and minerals or to those who have volunteered in the identification process of rocks.
